ABOUT MITCORER

"MIT College of Railway Engineering and Research", Barshi is an initiative of MAEER's MIT Group, Pune. MIT Group's legacy in the field of revolutionary education inspired us to venture into the unique field of Railway Technology. MITCORER aspires to cultivate and train the students who will help / provide solutions to the greatest technological and social challenges of the 21st century. Our Vision is to create future leaders who would manage and lead powerful organisations in the emerging corporate landscape. The curriculum of the programs is railway oriented and is based on the actual railway practices. MITCORER is focussed on giving students real world project based learning that will transform them into successful professionals. Our facilities and amenities are paired with assignments, projects, interactive classes and strong industry-institute rapports, which will help to make MITCORER one of the best educational institutions in the country.
