REPORT ON
ANNUAL SPORTS EVENTS: 2023

PHYSICAL EDUCATION

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e., the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But he should also play games and sports to enjoy the health and vigor of life. Along with bookish learning, a student should spend his time on games and sports also. Either study or work alone makes us exhaust. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete.

As a part of annual gathering we have organized sports on 16th April 2023 to 20th April 2023 by considering the concept of "SPORTS FOR ALL" throughout the entire session we organized Inter-department tournaments for students as well as some sports activities for staff (teaching and non-teaching). It is one of the largest co- curricular activity programs that offer an extensive opportunity to all the students and staff. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's physical capability.

The following events have been organized for the inter-class sports tournaments for students:

OUTDOOR GAMES:

- CRICKET
- KABBADI

INDOOR GAMES:

- CHESS
- CARROM

From the beginning of session our college sports person of respective games (Football, Judo, Cricket, Volleyball (Men & Women), Chess (Men & Women), Table-tennis (Men & Women), Athletics (Men & Women), Ball-Badminton (Men & Women) Boxing (Men & Women) and Taekwondo) start their practice session and they work very hard for converting their sweat in winning trophies for the fame of our college.
